Montepulciano d'Abruzzo D.O.C.

100% Montepulciano

Red wine with a tendency to garnet, produced with the grapes of the vine which bears the same name; it is improved in "barriques". His "bouquet" is marked, pleasant and persistent. Dry, soft and robust, it is suitable for plates with an important taste.

"If Umberto Buccicatinò lacks anything, it is not enthusiasm for his cellar. In his proud, determined manner he has taken just a few years to enlarge his estate and now has 14 hectares under vine backed up by state-of-art equipment. We have already listed the Buccicatinò estate under Other Wineries several times but the steady increase in the quality of its wines has finally earned it a full profile."
