

FATTORIA BUCCICATINO
DON GIOVANNI
Montepulciano d'Abruzzo D.O.C.

100% Montepulciano
13.0% Alcohol

Red wine with a tendency to garnet, quite thick and balanced with scents which remind of underwood fruits, violets and tobacco. The ripe final is left by the "barrique" in which it has rested. It is suitable for particularly rich dishes, roasts and game.

"If Umberto Buccicatinò lacks anything, it is not enthusiasm for his cellar. In his proud, determined manner he has taken just a few years to enlarge his estate and now has 14 hectares under vine backed up by state-of-art equipment. We have already listed the Buccicatinò estate under Other Wineries several times but the steady increase in the quality of its wines has finally earned it a full profile."
